"Read the history of Abraham, Jacob, and Joseph, of Moses, David, and Elisha. Study the lives of men of later times who have most worthily filled positions of trust and responsibility, the men whose influence has been most effective for the world's uplifting. How many of these were reared in country homes." White, Ministry of Healing, p366.

"It was not God's purpose that His people should be crowded into cities, huddled together in terraces and tenements." White, Testimonies for the Church, vol. 7, p87.

"The noise and excitement and confusion of the cities, their constrained and artificial life, are most wearisome and exhausting to the sick. The air, laden with smoke and dust, with poisonous gases, and with germs of disease, is a peril to life." White, Ministry of Healing, p362.
