*"It is at midnight that God manifests His power for the deliverance of His people. The sun appears, shining in its strength. Signs and wonders follow in quick succession. The wicked look with terror and amazement upon the scene, while the righteous behold with solemn joy the tokens of their deliverance. ....In the midst of the angry heavens is one clear space of indescribable glory, whence comes the voice of God like the sound of many waters, saying: 'It is done.'" White, The Great Controversy, p636.*

*"When His people shall be in the greatest danger, seemingly unable to stand against the power of Satan, God will work in their behalf. Man's extremity is God's opportunity." White, Selected Messages , Vol. 2, p373.*
