*"The warning has come: Nothing is to be allowed to come in that will disturb **the foundation of the faith upon which we have been building ever since the message came in 1842, 1843, and 1844.** I was in this message, and ever since I have been standing before the world, true to the light that God has given us. We do not propose to take our feet off the platform on which they were placed as day by day we sought the Lord with earnest prayer, seeking for light. Do you think that I could give up the light that God has given me? It is to be as the Rock of Ages. It has been guiding me ever since it was given. Brethren and sisters, God lives and reigns and works today! His hand is on the wheel, and in His providence He is turning the wheel in accordance with His own will. Let not men fasten themselves to documents, saying what they will do and what they will not do. Let them fasten themselves to the Lord God of heaven. Then the light of heaven will shine into the soul-temple, and we shall see the salvation of God." White, General Conference Bulletin, April 6, 1903.*
